#LABOX2019

LaBox 2019 Invitation

Dear European Lacrosse Community,

You are hereby invited to the **13th LaBox Indoor Tournament** in the ancient university town of Göttingen!

After the the legendary events we had over the last three years, Göttingen Lacrosse is excited to announce the next edition of LaBox, which will be held

6th December - 8th December.

It will take place in a sports complex with two playing fields, where up to **24 teams** – at least **8 men's and 12 women's teams**, will fight for the title and have a hell of a weekend.

The welcome festivities are planned for friday night, where you can meet old friends and make new ones at a meet and greet party – a perfect warm up for the weekend's events. On Saturday, we will have the official players'

party. All venues are located in the city center within 10 minutes walking distance.

The registration fee is only **€ 280 for teams of up to 8 players** and **€ 30 for each additional player** up to a maximum of 15 players. The fee includes accommodation in one of the sports halls, referee costs, admission to both parties, and **breakfast** on Saturday and Sunday.

Men's games will be played according to **field lacrosse rules** that are **adapted to the indoor setting**. Women's games will be played according to the official **DLaxV indoor rules**. Each game will have a full-time referee who is assisted by a team referee. In case your team doesn't have a licensed referee, don't panic! Just pay an additional fee of € 30 and we will arrange for a replacement.

Of course you're not only competing to have fun; we look forward to rewarding the tournament's winners with a trophy. Additionally, we will reward the best teams and players with special prizes.

The official registration is hereby opened, so if you and your team would like to sign up for LaBox 2019 please send an email to

labox@goettingen-lacrosse.de

with the most important details: men/women, team name, number of players. First come, first served!

After receiving our confirmation, please pay the registration fee (see the footer of this page for details). Only then is your registration complete.

We look forward to seeing you all in Göttingen this winter! Sticks up!
